Some comments from the panelist

The panelists were young Europeanists, 3 of them YEVE ambassadors, another one from a youth organization "Equipo Europa" and the moderator is a technician from the Europa Direct office in Ciudad Real. The activity was very dynamic, everyone was able to express their ideas and felt very comfortable. They believe that they have been able to convey what they agreed for the session.

Comments from the audience

The reception from the public was very good, they asked many questions, and we heard phrases like "finally new faces", "fresh air...", "I didn't know anything about this, what good
